4

Promoting the team

Eliciting preferences

Clearly distinguishing between mom, baby, and labor progress

Setting clear expectations for the team

THE INTENT:

1

TO PROVIDE AN **INVITATION & ONGOING OPPORTUNITY TO PARTICIPATE** AS A CARE TEAM MEMBER - A VITAL COMPONENT OF **PSYCHOLOGICAL SAFETY & WELLBEING**

2

TO VALIDATE THE **PATIENT LIVED EXPERIENCE & THEIR UNIQUE INSIGHT** INTO THEIR PREFERENCES, SYMPTOMS, ENERGY, MOOD & MOTIVATIONS

3

TO ENSURE **TRANSPARENCY & PRECISION** REGARDING PATIENT CARE PLANS. TRANSPARENCY CAN BE ESPECIALLY IMPORTANT FOR THE PATIENT & SUPPORT PERSON

4

TO **REDUCE PATIENT & SUPPORT PERSON UNCERTAINTY & CLINICIAN WORKLOAD** BY ELIMINATING THE NEED FOR ADDITIONAL CLARIFYING CALLS AND CHECK-INS
